

COLORADO

Colorado Services Exports

U.S. Services Supply the World

Colorado has seen a rise in overall services exports since 2009, boosting state economic growth and jobs, and contributing to the overall U.S. services trade surplus of \$260 billion in 2018.

The U.S. services industries are the most competitive and innovative in the world. They provide new economic opportunities and contribute to the successful production of manufacturing and agriculture in the United States and abroad.

2009	2018
\$9.5 billion	\$15.2 billion

COLORADO

Services Fuel U.S. Jobs and Growth

Services fuel America's economic growth and jobs, generating more than 77 percent of employment in the United States and 68 percent of GDP. Services are a major component of the manufacturing and agricultural sectors, and they boost the competitiveness of those sectors.

In Colorado, services accounted for 78 percent of all jobs in 2018. The top services sector for employment was educational services, and health care and social assistance, which alone employed 589,500 Colorado workers.
