

## California's 21<sup>st</sup> District

### U.S. Services Supply the World

CA-21 has seen a rise in overall services exports since 2010, boosting state economic growth and jobs, and contributing to the overall U.S. services trade surplus of \$289 billion in 2019.

The U.S. services industries are the most competitive and innovative in the world. They provide new economic opportunities and contribute to the successful production of manufacturing and agriculture in the United States and abroad.

| 2010                 | 2019                 |
|----------------------|----------------------|
| <b>\$315 million</b> | <b>\$535 million</b> |
