U.S. Services Supply the World

FL-12 has seen a rise in services exports, boosting economic growth and jobs. Services exports have fully recovered from Covid-related declines. In 2022, the U.S. services trade surplus was \$232 billion.

U.S. services industries are the most competitive and innovative in the world. They provide new economic opportunities and contribute to the successful production of manufacturing and agriculture in the United States and abroad.
